## Topics for the Day

### Ethics

*Robert E. Holloway, CIC*

USI Southwest

Do you know the relationship of ethical behavior to the legal responsibility of agents? This session will not only fulfill your Ethics CE requirement but will assist you in indentifying reasons for being ethical, explain the types of authority related to the activities of agents and define what the agent's liability is to the insured and the insurance carrier.

### Workers' Compensation & USL&H

*John A. (Jack) Martone*

AEU Consulting

Do you understand what USL&H is? What the federal acts and laws are? This session will give you clarification on USL&H as well as give you a complete overview of the Workers' Compensation act coverage with its rating and claims handling.

### Ocean Cargo

*Brian St. Jacques*

Chartis

What is ocean cargo? Find out where it began and how it affects international trade and who needs the coverage and why. Walk away with information on when a cargo insured will buy coverage, what their terms of sale are, what an open policy is, how to administer the policy, its claims and loss prevention. Your increased knowledge will give you more expertise to discuss this coverage with the ocean cargo insured!
