One of the many advantages to being a member of IIAH is the Free Continuing Education program which offers all of its members and their licensed employees five 3-hour CE seminars annually—attend all five and gain 15 CE hours. Join us on July 21, 2010 for **Basic Flood Insurance** with **Dorothy Martinez, CFM**, Senior Territory Training Manager of **National Flood Insurance Program** for a program that will not only increase your level of knowledge, but give you the tools to share valuable information with your clients. Hurricane season has arrived and gaining a basic understanding of the flood coverage will give you the edge! You will learn the general rules, policy coverage, program eligibility and basic rating information. Reserve your seat today!

### **Cancellation**

IIAH Free CE Seminars are "free" to IIAH Members . Free CE seminars are inclusive of electronic filing fees to the Texas Department of Insurance for the filing of CE hours. A \$15 No Show fee will apply to all registered attendee's who fail to appear or call IIAH within 2-days of the seminar event.
